CONSERVATION COMMISSION

Project Development (Benewah CD)

Program	District Capacity Building Assistance (ISWCC)
Lead Implementer	Idaho Soil and Water Conservation Commission
Other Organizations	Benewah Conservation District
Project Primary Contact	Brad Shelton (Brad.Shelton@swc.idaho.gov)
Project Stage	Implementation
Duration	2019 - 2020

Conservation Support ➤ District Capacity Building Assistance (ISWCC)

Request for assistance with project development and identification for Benewah Soil Conservation District. Requested that Commission staff identify and develop projects to address water quality, fish & wildlife habitat/riparian health as identified in the District's annual work plan. Sanders Road, South Fork of St. Maries River, Santa Creek Road, Alder Creek Loop Road, Hell's Gulch Road, and Carpenter Creek Road are all potential project sites.

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
